APRIL
18

Latest LGBTQ Issues in Churches

🕒 12:00pm 📍 Zoom

Since the United States Supreme Court legalized gay marriage in 2015, churches have been concerned about how it might impact ongoing ministries. Come learn more about the decision's impacts on your church and the ongoing environment.

MAY
16

Children and Childcare Challenges

🕒 12:00pm 📍 Zoom

Welcoming children onto a church campus is a vital part of many church ministries... however, doing so has many operational and legal challenges. In this seminar, you'll learn best practices to implement which will help you avoid legal traps and potential lawsuits.

JUNE
20

Intellectual Property Issues in Church

🕒 12:00pm 📍 Zoom

"Borrowing" images from the Internet for ministry purposes is a common practice... but it is increasingly putting churches and ministries in legal jeopardy. Come learn some best practices regarding safeguarding your church from intellectual property issues to avoid legal traps and potential lawsuits.

JULY
18

Employment Issues in Church

🕒 12:00pm 📍 Zoom

Employment laws are changing every year from minimum wages rules to classification of independent contractors. In this seminar, you'll learn how to avoid common pitfalls when it comes to employment, and best practices to avoid legal jeopardy.

AUGUST
15

Real Estate Challenges for Churches

🕒 12:00pm 📍 Zoom

Protecting campuses and developing property are a priority for Arizona churches and tax exempt ministries in 2024. Join us to learn best practices and strategies for safeguarding your church and property.

SEPTEMBER

19

You've Been Called to Testify, Now What?

🕒 12:00pm 📍 Zoom

Pastors and church leaders are called to testify in Court from time to time in family court and other types of cases. In this seminar, you'll learn what to do the next time that you find yourself in a situation where you're called to testify, how to avoid legal traps, and best practices for protecting yourself and your church.

OCTOBER

17

Trends in IRS Regulations, Tax-Exempt Compliance

🕒 12:00pm 📍 Zoom

Some politicians and others have called for revocation of church's tax-exempt status. At this seminar, you'll learn about the latest IRS Regulation of churches and tax exempt entities, and adopt best practices to avoid potential lawsuits.

NOVEMBER

21

Top 10 Legal Issues for 2025

🕒 12:00pm 📍 Zoom

As we move forward to 2025, we will evaluate the Top 10 legal issues to be aware of for your church in 2025. Join us to learn how to best protect your organization in the New Year.

DECEMBER

19

2024 Year in Review / 2025 Legislative Preview

🕒 12:00pm 📍 Zoom

In this seminar, we'll look back at 2024 in the rear view mirror for a legal standpoint for churches and tax-exempt entities and look ahead to what is in store for churches and tax exempt entities moving forward.
